

To whom it may concern,

I am a resident of Denver Colorado and I listen to K-Love. I am a youth group leader and I have three small children. K-Love is the only station I let my kids listen too cause I know they will learn how to praise the Lord and it is good music for them I know that they won't hear any thing they don't need to at their age. I also recomend K-Love to all of my youth group kids so they have good music to lisen to when they become christians. These kids need music to express them selve and they deserve music that can feed them spirtally at the same time. I also love the oppurtunity worship all day long any time I want and the info about conserts in our area. If you take K-Love away it will take away our chance to worship durring the week, our info about consersts, the good encouraging music for the kids and the only station on the radio that is good for all ages.
